All pricing shown in US Dollars (USD).

Option 1		Web Design – Purchased Template			
<p>The template includes pre-designed pages with static buttons, text and graphics. The pages are created to be 100% compatible with all major browsers and HTML editors. Each page is individually optimized for search engine placement. As a partner, you will have the ability to request a change to the initial color scheme and background header graphic to reflect your own identity. The pre-designed pages include: Home, Member Login, Storage, Products, Services, Live Demo, Clients, Request a Quote and Contact Us. The Home page is reserved for text supplied by the partner describing the business. All original artwork will be provided on a CD at the completion of the project.</p> <p>byRemote templates are provided “as is” for the listed rate. Customizations and modifications may be performed on the site upon the partner’s request for an additional labor rate of \$85.00 per hour.</p>

Option 2		Web Design – Hosted Template			
<p>Would you like to break down your payments in to a smaller monthly rate? Do you need help putting a plan together to launch your website? Our Hosted Template package includes all of the work performed in Option 1 and is also bundled with standard web hosting. If you would like to launch your website quickly, byRemote can have you set up and ready for visitors within two weeks. A basic logger program is included so you can monitor who may be visiting your pages and how they found you. All original artwork will be provided on a CD at the end of the 12-month contract.</p>

Monthly Purchase	BYRM-WEBHT			\$125.00	

<b>Option 3</b>		<b>Web Design – Managed Template</b>			
<p>It is always good business practice to change the content on your website frequently to keep visitors engaged and it also increases the chances of receiving an inquiry. With our Managed Template package, you will receive all of the benefits of Option 2 plus the addition of up to 1 hour of maintenance on your website each month at a discounted labor rate. Additional hours may be purchased upon request at the same discounted labor rate. (Please see Individual Web Services below for our monthly contracted rate.) Whether you would like to add to your client portfolio, make frequent announcements or upload photographs of your recent installations, byRemote's Managed Template is the perfect choice. All original artwork will be provided on a CD at the end of the 12-month contract.</p>
